
Congratulations to Our Colleagues

The Journal *Social Evolution & History* congratulates **Herbert Barry III**, an outstanding scholar whose commitment to lifelong learning and professional advancement is distinctive and impressive, and member of *Social Evolution and History* Editorial Board, on his 90th anniversary and cordially wishes strong health and much success in all endeavors.

The Journal wishes to convey the warmest greetings and congratulations to **Henri J. M. Claessen**, an outstanding scholar and member of *Social Evolution and History* Editorial Council, on his 90th anniversary. We are also really honored to have several of his research pieces published, and cordially wish strong health and all the best in the years ahead.

The Journal congratulates a prominent Anthropologist and Africanist, an inspiring example of curiosity and persistence, and member of *Social Evolution and History* Editorial Board, **Petr Skalník** on his seventy-fifth anniversary. Best wishes for his continued strong health and success.
